Looking for more EPUB titles? Consider one of these free public domain titles! Choose from against your library checkout limit! For tips on using these files with Adobe Digital Editions, click here.

Add to Adobe Digital Editions.

1. Open Adobe Digital Editions
2. In "Library View" Click the word **File** in the upper left corner.
3. Select **Add Item to Library**.
4. Navigate to location to which you saved the eBook.
(It may be in your downloads folder if you didn't choose a location)
5. Select the eBook. The eBook is added to the Adobe Digital Editions Library.

You can read the title on your computer or transfer to a Nook.
